Re: **Gerald Armstrong v. Church of Scientology, et al.**
Our File No. 13860-0001

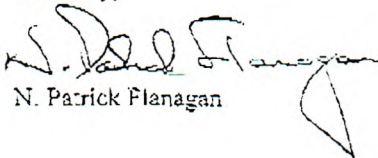

Dear Mr. Abbott:

Preliminarily, I note that Judge Reed has granted your request for enlargement of time of one (1) day within which to respond to our Motions to Dismiss. I have reviewed the file and note that you have not responded to our Motions as of this date. Also, no further requests for enlargement of time have been filed on behalf of your client. Given this, we will ask the Clerk to submit our Motions unopposed and seek dismissal of this suit.

I have spoken to my client pursuant to our conversations of Monday evening, May 11, 1998. We refuse to advise your client how he is to proceed in this case. Frankly, I cannot understand how he would be violating any court order by proving, i.e., that he is a resident of Nevada, that he is not a fugitive from justice or that the Church has contacts in this forum district. He entered into this Agreement and he must live with it. My client will not be drawn into a debate with your client nor will we advise him how to respond to our Motions. He is ably represented by fine counsel and you will, no doubt, competently advise him on how to proceed.

If there is any other matter with which I can be of assistance to you, please do not hesitate to contact me at your earliest convenience.

Sincerely,

N. Patrick Flanagan
